

**Ab Fab Marine Reserve Tour**  
**One day paddle and walk**  
**Exclusive to The Sea Kayak Company**

If you want to kayak, encounter seals, and walk in the famous Abel Tasman National Park all in one day, and feel that you have seen the best examples of the park, this is the trip for you.

Firstly we whisk you via our 9 a.m water taxi service up to the golden sands of Onetahuti Beach. Paddling offshore we have our first visit with the cheeky New Zealand fur seals at Tonga Island. From there we kayak south experiencing the bush clad coastline, spotting the shy little blue penguins, floating up tranquil lagoons, (tides permitting) finishing our kayak trip at beautiful Bark Bay

This is where your walk begins.

After lunch and a swim, walk off (unguided) to explore the flora and fauna of our unique New Zealand bush.

Your hike will take you over the swing bridge at Falls River, a perfect photo opportunity, and will end at Torrent Bay where your 4 p.m. water taxi will pick you up and transfer you back to Marahau.

At Marahau our courtesy van will transfer you back to Motueka where a hot shower awaits you at our base.

Can't make the early morning departure but still want to kayak with seals? Yes it is still possible.

Ask us about our later departures for this tour.
