

## Guided Rental Combo, 2 & 3 days

Want to “freedom kayak” but are uncertain if you have enough experience or knowledge of our coastline? Our guided rental combo prepares you for freedom kayaking beyond day one.

### Day One:

On this first day your guide will provide hands-on paddling instruction, show you how to assess the weather and cover the important aspects of self rescue. You will also learn about the coastline and where the best camping sites are to be found. There is ample opportunity to quiz the guide about his/her favourite spots

The trip departs from Marahau Beach, paddling northwards along the coastline of the Astrolabe Roadstead where we stop for a morning refreshment break. (Fresh coffee or tea and our famous carrot cake!) From here, you will kayak along the shores of the world famous golden sand beaches of The Abel Tasman, exploring off shore islands where penguins, shags and other Birdlife are abundant.

After the morning paddle, your guide will take you to one of many beautiful beaches in the Astrolabe Roadstead, one of the parks most sheltered and scenic stretches of water. Here you will have time for lunch, swimming, sunbathing and maybe a stroll to take advantage of the numerous photo opportunities.

In the afternoon you paddle along the infamous stretch of coastline know as the “Mad Mile” that takes you into the beautiful Anchorage Bay.

### Day two

After a night camping at Anchorage (or if you would like the travel light possibilities ask us about Lodge and Houseboat stay options) you freedom kayak northwards. Along the way you’ll see tidal lagoons, awesome rock formations, and golden sand beaches and are able to visit the famous Tonga Island seal colony.

You’ll finish kayaking at Onetahuti Beach where you will be met by our water taxi company at 3 pm to transport you and the kayak back to Marahau. Here we will meet you and transport you and the kayak back to our Motueka Base.

### Day three option.

After a second night camping at Bark Bay, Mosquito Bay or Onetahuti you start the return leg of your journey towards Marahau. Along the way explore many of the Park's special places you may have missed on the way up the coast.

We meet you at Marahau Beach at approximately 3.30 where our van transports you and the kayak back to Motueka Base for a well earned hot shower or dip in out pool.
